Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE TEACHINGS OF DENVER C. SNUFFER, JR. VOLUME 1: 2007-2013: ARCHIVES EDITION 8.5 X 11 IN (PAPERBACK)

Independently Published, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. Following the publication of The Second Comforter: Conversing with the Lord Through the Veil in 2006, I have been asked on occasion to speak or present papers to various gatherings. What started out as a talk or a discussion here and there, has grown into a body of work consisting of many millions of words that fill thousands of pages of books, papers, transcripts, and audio and video recordings. If you go back and read everything I've spoken about and written from then until now, what you will find is that I've only been giving one talk. Admittedly it's long, but you will see I've been addressing one subject from the beginning until now: Zion. This book series will comprise all of the essays, papers and transcripts of talks I have given publicly, starting with "Christ's Discourse on the Road to Emmaus," a talk I gave in April, 2007. This series, together with the Restoration Edition of the scriptures that were canonized in September, 2017, all of the books I have written, and my complete blog and podcasts, constitute the complete body of work that has been presented publicly thus far, with additional material planned to be compiled into additional volumes as it becomes available in the future. This volume covers the first eight talks and papers I gave from 2007 through 2013 - essentially everything that came before the ten 40 Years in Mormonism lectures that began in September, 2013. Those ten lectures will be contained in the second volume of this series. Additional volumes are planned that will contain everything given from 2014 through today, and into the future as the Lord allows. It is important that we preserve and make available to everyone all that the Lord has...
